17:45 Questions

18:15 Concluding remarks

INFORMATION REGARDING THE SEMINAR

LIFE is the EU's financial instrument supporting environmental and nature conservation projects throughout the EU, as well as in some candidate, acceding and neighbouring countries. Since 1992, LIFE has co-financed some 3115 projects, contributing approximately €2 billion to the protection of the environment. The next call, based on the regulation "LIFE +" in force since 2007 and covering the period until 2013, will be published in February 2011, shortly after this seminar.

The responsible officials of DG Environment of the European Commission and other experts who worked directly with LIFE projects will share their knowledge about this important instrument and its potential for environment and biodiversity protection in the Alpine area.

All promoters of candidate projects in the Alpine regions and all interested persons are invited to participate.

Free entrance but online or email registration will be requested in advance - DEADLINE 31st January 2011- of the event by sending an email to life@alpconv.org indicating name, surname, Organization and the participation at the welcome buffet.

For any question please refer to Marcella Macaluso, Permanent Secretariat of the Alpine Convention (Email: Marcella.macaluso@alpconv.org; Tel.+39 0471 055352)

The language of the event will be English.
